New York

AN OPPORTUNITY FOR PROGRAMMING AND ENGINEERING STUDENTS!

Amazon Future Engineer awards 400 high school seniors across the nation with scholarships up to \$40,000 to attend the college/university of their choice and internship opportunities at Amazon!

If you have students or families in mind for this opportunity, click the buttons below to access four easy ways to share:

SEND AN EMAIL

We've included an email template for you to easily spread the word about this opportunity with students, friends, and educators.

POST ON SOCIAL MEDIA

Create a quick and engaging social media post with the sample captions and graphics provided in the link included.

SEND A TEXT

Send a quick text to students, parent/guardians, or educators with the link to the scholarship application. They'll appreciate you thinking of them!

SHARE A VIDEO

Send this video about current Amazon Future Engineer Scholars to encourage students to apply!
